Warnings from the Trenches AAUP

January 9th, 2019 - My son who attended a Mass public school is now a college freshman and I spent 10 years teaching freshman composition in universities I also have a child 7 years younger so I have comparative experience with how public education has changed since 1999

Race and intelligence Wikipedia

January 10th, 2019 - The majority of anthropologists today consider race to be a sociopolitical phenomenon rather than a biological one a view supported by considerable genetics research The current mainstream view in the social sciences and biology is that race is a social construction based on folk ideologies that construct groups based on social disparities and superficial physical characteristics
