January 13th, 2019 - The conservative s preference for forms of condign power that have already become unfashionable may also be put down to his "natural business" - to conserve or retrieve from the past" including capital punishment corporal punishment in schools the dominance of men over women more rights of the police to use violence search and seizure

### **History of technology The Industrial Revolution 1750**

January 15th, 2019 - History of technology The Industrial Revolution 1750"1900 The term Industrial Revolution like similar historical concepts is more convenient than precise It is convenient because history requires division into periods for purposes of understanding and instruction and because there were sufficient innovations at the turn of the 18th and 19th centuries to justify the choice of this as
